FOREWORD

This is the thirty-fifth issue of the Law of the Sea Information Circular, a periodic publication of the Division for Ocean Affairs and the Law of the Sea (DOALOS), Office of Legal Affairs of the United Nations Secretariat. Its main objective is to communicate to all States and entities information on actions taken by States Parties to the United Nations Convention on the Law of the Sea of 10 December 1982 (the “Convention”) in implementing that Convention, in particular regarding the deposit obligation, as well as to report on activities undertaken by DOALOS in this respect.

The purpose of LOSIC is also to assist States Parties to the Convention in discharging their obligations to give due publicity to information in accordance with the Convention: Coastal States are obliged, *inter alia*, to give due publicity with regard to (i) charts and lists of geographical coordinates (articles 16(2), 47(9), 75(2), 76(9) and 84(2)); (ii) laws and regulations relating to innocent passage (article 21(3)); and (iii) laws and regulations relating to transit passage through straits used for international navigation adopted by States bordering straits (article 42(3)).
