

“160. In both the north and the south, the interests of third States become involved.”

“[...] The endpoint of that boundary was not determined but ‘the Court made a clear determination [in paragraphs 306-319 of the 2007 Judgment] that *the bisector line would extend beyond the 82nd meridian until it reached the area where the rights of a third State may be affected*’ [...].”

MARITIME BORDERS OF THE REPUBLIC OF PANAMA

Overlap on the maritime space of the Republic of Panama resulting from the proposal of the Republic of Nicaragua to extend the limits of its continental shelf
