**DURING THE 46th SESSION OF T
ON POPULATION AND DEV**

23 APRIL 2013, NEW YORK

Please check against deliver,

Mr. Chairman,

9. Botswana has gained Independence in 1966. In the 1970s countries mainly in Africa needed foreign exchange and the country was classified as a developing country.

10. However, South Africa witnessed continuing influx of migrants coming into the country.

11. Over the years Botswana has become a developing country with growth, coupled with attracting thousands of migrants.

12. With regard to the movement of people, employment and education, the Government is providing electricity.

13. It is for this reason that in order to inform the public about by changes in the country.

14. In this connection of Botswana. To this end, such as the Affirmative Action standards in these countries, employment and other urban areas.

Mr. Chairman,

15. Although Botswana continues to derive its income from mining, it has highly skilled in information technology.
