

**Statement of the Mission of Poland to the United Nations
after the adoption of the resolution on
“New trends in migration: demographic aspects”**

**46th session of the Commission on Population and Development
of the United Nations Economic and Social Council**

New York, 26 April 2013

**Explanation of Position of the Republic of Poland on the adoption of the resolution
of the 46th session of the CPD: *New trends in migration: demographic aspects.***

Mister Chairman,
Distinguished Delegates,
Ladies and Gentlemen,

On behalf of the Republic of Poland I would like to thank you, Mr. Chair, other members of the Bureau, the Population Division, and other members of the Secretariat of the United Nations engaged in the organization and servicing of the 46th session of the Commission on Population and Development.

Poland believes that issues discussed during this year’s session are of great importance for our country and for the international community as a whole. Also, Poland remains committed to the full and effective implementation of the ICPD Program of Action, and expresses its strong support for the activities of the UN system in this regard.

Bearing in mind the above, Poland congratulates the Commission on the adoption by consensus of the resolution entitled
