

Resolution 2013/1
New trends in migration: demographic aspects¹

The Commission on Population and Development,

Recalling the Programme of Action of the International Conference on Population and Development² and the key actions for its further implementation,³

Recalling also

Recognizing the contribution of the Global Forum on Migration and Development to addressing the multidimensional nature of international migration and promoting coherent and comprehensive approaches,

Recalling all General Assembly resolutions relevant to international migration,

element of the overarching framework of United Nations activities,

Recognizing the importance of preventing and eliminating trafficking in persons, including migrant workers, while assuring the protection of their human

acknowledging the need to consider the socioeconomic circumstances and specific needs of young migrants, including access to education and health services, in order that they may achieve their full potential and contribute to inclusive social and economic development,

Recognizing further that any migrant can be vulnerable depending on the conditions and circumstances of his or her migration, and that these vulnerabilities can be exacerbated depending on a variety of factors such as age, sex, ethnicity and legal status,

Recognizing that young people, including young migrants, are particularly vulnerable to HIV infection because of social and economic factors and other inequities, including stigma and discrimination, gender-based and sexual violence, gender inequality and violations, and lack of accurate information on HIV and other sexually transmitted infections, and access to sexual and reproductive health, including HIV-related services,

Recalling the resolve expressed to provide protection and assistance to refugees and internally displaced persons, of whom a majority are women and

respect for the various religious and ethical values and cultural backgrounds of its people, and in conformity with universally recognized international human rights;

4. *Calls upon* States to promote and protect effectively the human rights and fundamental freedoms of all migrants regardless of migration status, especially those of women and children, and to address international migration through international, regional or bilateral cooperation and dialogue and a comprehensive and balanced approach, recognizing the roles and responsibilities of countries of origin, transit and destination in promoting and protecting the human rights of all migrants, and avoiding approaches that might aggravate their vulnerability;

5. *Urges* Member States to take effective measures in conformity with international law to protect migrants affected or exploited by terrorism and incitement;

6. *Also urges* Member States to take concerted actions in conformity with international law to remove the obstacles faced by migrants, including those living in situations of armed conflict or under foreign occupation;

7. *Requests* all Member States, in accordance with their relevant international obligations and commitments, to promote cooperation at all levels in

costs of remittances;

14. *Reaffirms also* the need to encourage opportunities for development oriented investments in recipient countries by beneficiaries that are willing and able to undertake such actions;

15. *Invites* Governments to encourage diasporas to contribute to the

each Member State and promote a harmonious, tolerant and respectful environment,
and encourages host countries to take appropriate measures aimed at the full

mechanisms for bringing complaints against employers, while stressing that such instruments should not punish women migrant domestic workers, and calls upon States to promptly investigate and punish all violations of their rights;

33. *Encourages* Member States to consider identifying and reviewing any remaining HIV-related restrictions on the entry, stay and residence of migrants in order to eliminate the restrictions;

34. *Urges* Member States, with the support of the international community
