

PRO/NV/eRegistration data/2024

The Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations presents its compliments to the Permanent Missions and Observer Offices to the United Nations and to the Liaison Offices of the Specialized Agencies and related organizations and has the honour to bring to their attention the following:

Following ongoing updates to the eRegistration system for delegates attending temporary meetings, eRegistration focal points are advised that the fields for delegates' photographs and delegates' date of birth will also be mandatory as of 24 May 2024. Requests for badges for delegates can no longer be accepted without these two items. Delegates' photographs should conform to passport standards.

The Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations avails itself of this opportunity to renew to the Permanent Missions and Observer Offices to the United Nations and to the Liaison Offices of the Specialized Agencies and related organizations the assurances of its highest consideration.
