II. HIGHLIGHTS OF THE SPECIAL COMMITTEE'S MEETINGS IN AUGUST AT HEADQUARTERS

A. General - represent activities in observance of conditions in their respective Territories as would enable their people to exercise freely and without interference their inalienable right to

self-determination and independence; and, in that connection, reaffirmed the importance of fostering an awareness among their peoples of the possibilities open to them in the exercise of that right.

The Special Committee requested the administering Dowers is

co-operation with the territorial Governments, to safeguard the inalienable

patural range human hu babine affantino maneures te annues their wints to min

and dispose of those resources and to establish and maintain control of their

With respect to the questions of East Timor and Western Sahara, after having heard the statements of the petitioners, the Special Committee agreed that, subject to any directives which the General Assembly might give in that connection at its fortieth session, it should continue consideration of these questions at its 1986 session. The Committee also decided to continue consideration of the question of Gibraltar at its 1986 session.

D. Sending of visiting missions to Territories

In response to requests addressed to them by the General Assembly, the administering Powers have continued to co-operate with the Special Committee

The Special Committee reaffirmed that the natural resources of all peoples of those Territories and that the exploitation and depletion of those resources by foreign economic interests constituted a direct violation of the rights of the peoples. The Committee thus condemned the intensified Continued to exploit the natural and human recourses of colonial marriages
