Distr. RESTRICTED PRS/2023/CRP.20

resolutions. It is the attainment of full self-government for these territories which must remain our ultimate goal.

In conclusion, we regard this regional seminar as a mechanism to devise recommendations on the way forward to ensure that this sacred right to self-determination, as a fundamental human right, is realised by the remaining non self-governing territories so that their

people can achieve full political equality consistent with recognised international standards.
