Payment of contributions in currencies other  
than United States dollars

33. By resolution 2654 (XXV), the General Assembly authorized the Secretary-General, as in prior years, to accept at his discretion and after consultation with the Chairman of the Committee on Contributions, a portion of the contributions of Member States for the financial years 1971, 1972 and 1973 in currencies other than United States dollars.

34. In its report to the General Assembly at its twenty-sixth session, the Committee on Contributions reported on the arrangements made by the

report the following paragraph, which was endorsed by the General Assembly at its 1979th plenary meeting, on 8 November 1971:

"Having considered paragraph 24 of the report of the Committee on Contributions, the Fifth Committee recommends that the Committee on

supplied to specialized agencies at their request. In reply to inquiries received from the International Atomic Energy Agency and the International Labour Organization, the Committee has provided the following information:

(c) For the financial year 1971, the four new Members shall each contribute an amount equal to one-ninth of the amount applied to the same business
