determined that what activities is a largeale modification and what is the impact of the distinction made by the referring to the element of intentionality in this guideline.

On guideline 8, we would like to admit the necessity of obligation to cooperated the protection of the atmosphere; we also welcome the DGGLWLRQRIWKHZRUG³WHFKQLFDO´LQSI connection, I would like to refer to the inhumane and illegal unilateral coercive measures imposed on the Islamic Republican as the main impediment to any cooperation in this area. With the unilateral coercive measures, among other impediments to transfer of advanced technologies, including technologies relating to renewable energies prohibited, inter alia, import of medicines and pesticides for agriculture>7i-734
