

**Hotels in Rome and Italy – Tariffs for year 2012 which have agreed to apply special rates for IFAD**

*Rates posted are special UN rates provided for hotels in Rome and Italy. Single rates may vary according to low/high season. The agreement is with IFAD and extended to other UN Agencies. Bookings must be done directly and not through IFAD. Payments must be made directly to the Hotel with absolutely no responsibility on the part of IFAD, who will be responsible only and exclusively for the bookings made by IFAD directly. IFAD's contact with hotels in Italy has included a questionnaire to measure the degree of environmental awareness of each establishment. This has enabled us to devise an eco-friendly rating where 28 is the maximum number of points able to be scored and N/A indicates no reply was received. These figures are the result of self-assessments so are not scientifically comparable. They nonetheless constitute a rough guide as to where guests can expect a more or less "green" accommodation experience. As such, in line with the UN's commitment to move its organisation towards climate neutrality, these ratings can be used as additional criteria for hotel selection.*
