

2016 ECOSOC Forum on Financing for Development follow-up

Tuesday 10 April 2016 10 - 11 AM Trusteeship Council Chamber, United Nations Conference Centre

+,E, \$r, #med S%ide! State \$inis

#genda is organized around the SDGs or around goals and outcomes! the #genda follows the Sustainable Development Goals Consensus and is structured around different financial and non-financial goals,

is emphasized in the #genda! the 17 SDGs have enormous synergies across goals! with implementation of one contributing to progress in the others, Similarly! there are synergies across the #genda chapters! as well as between the #genda and the SDGs, To further harness these synergies! the #genda identifies a number of cross-cutting issues where policy actions can address critical gaps in the delivery of a range of SDGs, These cross-cutting issues and commitments! as contained in chapter 1 of the #genda! include: 6.7 the delivery of social protection and essential public services for all
