IMPACT DE PBF

Le Fonds soutient l'élaboration et la mise en œuvre de plans d'action nationaux sur les résolutions 1325 et 2250 du Conseil de sécurité. Ces investissements mettent les femmes et les jeunes en tant qu'acteurs essentiels de la consolidation de la paix dans la société tchadienne. À titre d'exemple, 90 dirigeants locaux, dont 30 femmes, ont sensibilisé les communautés au contenu de ces plans à travers 27 émissions radiophoniques et près de 3 700 jeunes ont participé à des formations sur le plaidoyer, le leadership et la communication stratégique. 3 bureaux juridiques, pleinement reconnus par les autorités judiciaires, ont été ouverts et sont désormais opérationnels à N'Djamena, Lac et Mondou pour alerter, prévenir et résoudre pacifiquement les conflits intercommunautaires. Le Fonds, grâce à une initiative de promotion de la jeunesse, a également soutenu l'élaboration de la Charte de confiance intra et intergénérationnelle actuellement

dans le département de Nya Pendé et Barh Sara (sud) pour la prévention et la gestion des conflits au niveau communautaire. Par ailleurs, le Fonds soutient la mise en place d'un Observatoire national pour la promotion de l'égalité et de l'écit, conformément aux exigences de la Politique nationale de genre adoptée en 2017.

Dans les provinces des Lacs et de Hadjer Lamis, une région particulièrement touchée par les effets du changement climatique, la pression sur les ressources naturelles a augmenté de façon significative, le Fonds a soutenu la création de groupes mixtes pour le dialogue et la prévention des conflits autour de la gestion des ressources naturelles entre les autorités, les réfugiés, les déplacés internes, les rapatriés et les communautés d'accueil. Il contribue également à une plus grande liberté de mouvement des communautés dans les zones sécurisées et résilience grâce à un soutien aux moyens de subsistance alternatifs et à un soutien à la reforestation. Des négociations fructueuses entre différents chefs de village et les autorités ont abouti à un accord sur la gestion des zones de pêche et à des échanges réguliers sur la gestion des ressources entre les communautés. Par ailleurs, grâce à une initiative de promotion du genre, une étude sur le modus operandi de Boko Haram, avec une attention particulière une attention particulière aux questions de genre et des recommandations pour la prévention du recrutement.

Dans le Nord et le Centre du Tchad, le Fonds a pour objectif de permettre le dialogue entre les jeunes et le gouvernement et à promouvoir des opportunités économiques durables, tout en sensibilisant les jeunes, notamment la traite des êtres humains, le
