Guinea: The Race Is on for Iron Ore Riches Buried Under an African Jungle*

&}œ ç œ•U šZ u ••]À]œ}v %}•]š• μv œ 'μ]v [• u}μvš]v}μ• iμvF
mining industry. Caught up in wrangles between owners and authorities in the West African nation, it seemed
the super-rich ore might never be dug up, that all changed last year, as investors from billionaire promoter
Robert Friedland to legendary dealmaker Mick Davis converged on the country in a modern day resource rush.

&}œ šZ (]œ•š š]u]v ç œ•U %œ}i š• o]post]might finally be developed.œ}Á v i

The Question is what will be the implications for both Guinea and surrounding nations in terms of
