UN launches campaign, calling for renewed global ambition and action for the Sustainable Development Goals

Public mobilization comes ahead of critical halftime Summit in September at UN in New York

New York, 5 July 2023 - The United Nations, today, is kicking off a ~~call to action~~ campaign aims to amplify an urg

actio of 2030, the promise of the SDGs is in peril. For the fir
blueprint for sustainable progress globally, and

in decades, development progress is reversing under the combined impacts of climate disasters, conflict, economic downturn and lingering COVID-19 effects.

The 2023 SDG Summit will gather world leaders at the United Nations Headquarters in New York on 18-19 September to reaffirm their collective commitments to the Goals and the promise to leave no one behind. This Summit is a defining moment to urgently put the world back on track to achieving the
