Chapeau

Alongside the reaffirmation of the Charter of the United Nations, the UDHR and the 2030 Agenda for Sustainable Development, it is imperative that the Pact for the Future's Chapeau acknowledges that we are in an era of polycrisis. t . n 1 I T d () T j - 0 . 0 0 5 T () T j - 0 . 0 0 2 T c 0 . 0 0 2

A UN review should be established into international pharmaceutical patent mechanisms, their contribution to global vaccine inequality and a more responsible use of scientific research that facilitates greater technology transfer on mutually agreed terms to developed countries.
