- x Call upon states, with the participation of civil society, organizations led by youth, human rights groups, men and boys, the media and the private sector to develop and implement holistic, comprehensive, and coordinated responses and strategies to prevent and eliminate child, early and forced marriage and support girls and women who are affected or at risk strengthening child protection systems, safe shelters, access to justice, and by sharing best practices across borders. [RES/75/167/RES/73/153](#)
- x Address the intersectional discrimination experienced by young women and girls in all diversity that affects their ability to enjoy their right to education, enrollment and dropout rates correlate to the lack of access to gender responsive, intercultural, quality education, lack of financial resources; lack of access to health services, including SRH unpaid care work and/or high prevalence of sexual and other types of violence. Call on Member States to address the gender based violence and/or discriminatory attitudes, based on race, ethnicity, work and descent, sexual orientation or religion held by education personnel and fellow students that prevent girls from having access to and remaining in school. [S/RES/15/10](#)
- x Reaffirm the rights of young women and girls, in all their diversity, especially those facing multiple and intersecting forms of discrimination, to maintain their right to SRH and bodily autonomy. [Td \[\(a\)-3 man](#)
