**Statement by**  
**Deputy Prime-Minister Minister of Foreign Affairs of the Republic of**  
**Kazakhstan H.E. Mr. Murat Nurtleu**  
**during Summit of the Future**  
**Plenary Session #3**  
*(23 September 2024, New York)*

**Mr. President,**  
**Excellencies, ladies and gentlemen,**

**eliminate barriers** and commit **necessary resources** to assist **climate-vulnerable communities**.

**Excellencies,**

**Digital transformation** is a driving power of our progress towards the **2030 Agenda**.

Within the next decade about **70% of all global goods and services** will be produced using digital platforms.

The **potential benefits** of these changes depend on **equitable access** to **cutting edge technologies** in al.n a cutting edge (6)20)20)00)20)07\*.000002 BF523f
